## A note from your teachers:

### Parent(s):

Hey all...we're beginning to wind down the quarter and have a few reminders as we wrap up! Please be sure to send in your FINAL DC payment if you haven't already done so. We need this taken care of ASAP.

Make a note that the Arlington essays are due on August 30, so 2 weeks to go on those! We also have fall pictures this week on Thursday.

We just received the dates of our quarter 1 Case 21's. They will take place the last week of our quarter, so please make note!

In the classroom, we could use some more individually wrapped snacks for those students who forget snack, and some small sized water bottles.

Have a great weekend!

Becky and Marie
