## A note from your teachers:

Parent(s):

And just like that we are down to our last 2 weeks of the first quarter! I can't believe how quickly the time passes. Please note the important dates above as well wrap up the quarter.

Make a note that the Arlington essays are due on August 30, so please get them in by Friday!

In addition, Dr. Steidinger recently sent out a family engagement survey. Please take a few moments to complete this.

Finally, we forwarded information this week from Coach Roberts in regards to our family marathon. Mrs. Jones and I always participate, so we hope to see some runners out there with us.

Have a great weekend!

Becky and Marie
