*Note this date has changed from the original date, and both sessions cover the same material

Upcoming tests & projects

To be determined

A note from your teachers:

Parent(s):

What a FANTASTIC first four days of 5th grade! We are off and running into the 2019-20 school year.

Just a few needs to know...

Please send in a water bottle with your student each day. It is HOT outside, especially after recess, so we try to give them multiple opportunities to refill those bottles.

Snack time is every day around 10:30(ish). Please send in a snack with your child. We do keep emergency snacks for those who forget or for those who need a little something extra! If you would like to donate extra snacks we would really appreciate it. (Snacks need to be individually wrapped and peanut free).

There is a LOT of information in Friday folders. (BYOD contracts, allergy letter, T-shirt order forms, etc.) Please take the time to look through it all and return any necessary forms to us on Monday.

Monday students report directly to Specials. Our special is:PE.

Please continue to message Mrs. McCarty and Mrs. Jones using Remind or via email. Just make sure to send it to us both, and one (or both) of us will respond in a timely manner!

You will start receiving tentative information about the Washington DC trip. Right now it is scheduled for October 3 and 4. We are still awaiting approval from the board, so be on the lookout for more information about the trip.

We do LOVE agendas! So please check and sign your student's agenda each night. We check them from time to time during the week and award Clipper Cash for those who get it signed. We really appreciate your help with this.
