Upcoming tests & projects

Unit 1 Math test 7/26

A note from your teachers:

Parent(s):

We hope you've had a great week; we've been very busy and hard at work! Below are a few reminders of things to come:

- DC information is coming home in Friday folders...be on the lookout for that. Read through the information and return forms.
- T-shirt forms and money are due this Friday 7/26
- Please be sure students are bringing in water bottles each day...it is HOT!
- Thank you for being attentive to the agendas. Please continue to sign them each night as we will continue to write in them daily and spot check them throughout the week.

We hope you have a great weekend and stay cool!

Thanks,

Becky and Marie
