A note from your teachers:

Parent(s):

We hope everyone is recovering nicely from DC. We had a blast, and are so proud of these kids. They represented OCE well!!

This week, as our first full week back, we'll jump right into our new units as noted above. Please note we do have picture make ups on Wednesday if your child was absent, and Boosterthon is coming soon. We'll keep you posted as we have more details.

Enjoy the rest of your weekend!
